This Article contains errors.

Figure Legends 2 and 3 were published as Figure Legends 3 and 2, the correct Figure Legends appear below:

Figure 2:

Group\*obstacle variability for horizontal and vertical foot-obstacle distance before and after obstacle avoidance for leading and trailing limb. (a) Difference between low and high obstacle avoidance; (b) Difference between intermediate and high obstacle avoidance; (c) difference between low and intermediate obstacle. \*Difference between people with PD and control group.

Figure 3:

Variability of kinects parameters for each group in each condition.
